VINOS

SANGRÍA – 8.00/GLASS

WHITE

FERRARI CARANO CHARDONNAY

From the Russian River Valley this delicious, full-bodied wine with aromas and flavors of citrus, white peach, pear, Fuji apple, cinnamon, fig & lemon. A wine with bright fruit and nice acidity with marshmallow and nutmeg nuances that linger on the finish.

By The Glass \$9/Bottle \$28

ADRAS CODELLO

This refreshing and energetic white from Spain is packed with bright fruit flavors suggesting pears and apples. The persistent and harmonious finish encourages you to bring the glass to your lips again and again.

TERRA D'ORO PINOT GRIGIO

An international superstar, Pinot Grigio continues to be the go to white for easy quaffing. The central coast vineyards in Santa Barbara are planted on steep hillsides just east of Highway 101. This juicy, tropical fruit flavored expression of Pinot Grigio is packed with verve.

By The Glass \$7/Bottle \$24

RED

TOMERO CABERNET SAUVIGNON

From a leading winery in Argentina, this wine has a deep ruby color, strong notes of spices and red fruits with delicate touches of toasted vanilla and coconut introduced by the oak. Well balanced with lively fruit flavors and recognizable tannins. The resulting wine is alive with red fruit and easy to drink.

By The Glass \$7/Bottle \$24

CEPASANTIGUES RIOJA

40 year old vines growing in the Rioja Alta region of Spain produce a full bodied wine with hints of plums, cinnamon and cracked peppercorn. Dry and dusty tannins confirm this gem is made from 100% tempranillo grapes.

By The Glass \$8/Bottle \$26

LANCATAY MALBEC

Hot arid days and cool mountain nights in the foothills of the Andes make for a highly concentrated wine with a touch of violets and cherries. The wine is unfiltered and aged in French oak barrels hinting at toasted hazelnuts on the finish.
